

SWITCHGEAR

HARDWARE

From rugged latches and durable handles to precision hinges, SPEP delivers high-quality, reliable hardware for switchgear and enclosures— at competitive prices. As a 100% employee-owned company, we're easy to work with and personally invested in your success. Half of our parts are customized or modified, so you get tailored solutions when a standard one won't do. Count on SPEP for quality, flexibility, and a partnership built to last.
